

CIMENTART BUSINESS MODELS

CIMENTART APLICATION CENTER - CAC

A CimentArt CAC is a person or company that has received a training course on CimentArt products from our technicians at any of our facilities and has its own showroom for exhibition of our products.

By receiving the training, he obtains basic data and knowledge about our products and is prepared to begin doing his own work with Microcement and attend his clients in his showroom.

A CAC is not required to have stock of products.

We include for the CAC CimentArt:

- 22% discount on our general purchasing rate.
- 2 exhibitors + 40 different colors and finishes of Cimentart Products (Traditional Microcement, MicroStucco, Icem and Microconcrete) for application of samples in the exhibitors
- Optional kit of Cimentart Products for creating walls and floors in the Showroom.
- Training Course on CimentArt products and diploma certifying attendance at the CimentArt Training course.
- CimentArt catalogs.
- Technical assistance.
- Technical documentation.
