

CIMENTART BUSINESS MODELS

DISTRIBUTOR CIMENTART

A CimentArt Delegation is a professional or company that is responsible for a specific geographic area or city and that has its own corporate website provided by CimentArt.

A CimentArt Delegation makes the 3 business models: Training, Sale and Application of CimentArt Microcement. For this it is necessary:

- Establish a showroom.
- An area to carry out training on CimentArt Products to professionals and companies.
- Always have stock available.

A CimentArt Delegation makes its own works and can create a sales network with Professionals and CACs in its area and supply them the material they demand.

We include in the CimentArt Delegation:

- Sales, training and application license for CimentArt Products.
- Diploma certifying attendance at the CimentArt Training course.
- A private contract signed by both parties.
- 30% discount on our general purchasing rate.
- 3 exhibitors + 60 different colors and finishes of Cimentart Products (Traditional Microcement, MicroStucco, Icem, Microconcrete, quartz and Nature) for application of samples in the exhibitors.
- Corporate website provided by CimentArt.
- Corporate professional email.
- Optional kit of Cimentart products for creating walls and floors in Showroom.
- General data on how to do training and sales.
- CimentArt product catalogs.
- Technical assistance.
- Technical documentation.
